THANK YOU SWAG SPONSORS

FRONT COVER – INCLUSIVE MOSAIC

This stunning mosaic, created over three months by **United Rehabilitation Services of Greater Dayton's Adult Day Service clients**, is a testament to their creativity and dedication. The piece features a vibrant array of broken glass pieces meticulously arranged to form a beautiful image.

Using an overhead projector to guide their work, the clients carefully placed each piece within a frame crafted by our Facilities Coordinator. The result is a truly inspiring work of art that celebrates inclusion and creativity.

Weighing over 300 pounds, this original artwork is a testament to the dedication and skill of our clients.

Gold Artwork for the Gala provided by:
